MEXICO & THE YUCATAN

An enticing blend of Mesoamerican cultures & Spanish traditions

15 DAYS - STARTING MEXICO CITY 1 FEBRUARY 2019

MEXICO & THE YUCATAN

Trip Outline

Long before the Spanish Conquistador Hernan Cortes stepped foot in Mexico in 1519, the region was populated by complex indigenous civilisations including the Olmec, Maya, Teotihuacan, Toltec and Aztec Empires. These Mesoamerican civilisations had developed a form of writing so that Mexico's written history stretches back hundreds of years before the Spanish arrived. Following the conquest of the Aztec Empire in 1521 the area was incorporated into the Empire of Spain, with Mexico City the centre of colonial rule.

Mexico today is a wonderful blend of these ancient pre-Colombian cultures with the more recent Spanish traditions. As you travel this fascinating country you will encounter stunning colonial cities adorned with churches as well as spectacular archaeological sites and their enormous pyramids. There is a rich indigenous culture waiting to be discovered with a lively music, festival and arts scene, a sophisticated cuisine and stunning natural beauty from the dry deserts in the north to deep forested jungles and palm lined beaches in the south.

Starting in Mexico City we tour the colonial sites of this ancient Aztec capital before heading to the giant pyramids at nearby Teotihuacan. On our way to Taxco we stop at a museum dedicated to the artist Frida Kahlo and take a boat ride through the narrow canals at Xochimilco. Taxco and Puebla are two of Mexico's best preserved colonial towns whilst colourful Oaxaca is well known for its handicrafts and the ancient ceremonial Zapotec site of Monte Alban. Flying to Tuxtla we then visit the impressive Sumidero Canyon and continue to San Cristobal de las Casas where we enjoy the rich indigenous culture of the city and two of its nearby villages.

Next come the great Mayan archaeological sites of Palenque and Uxmal and following a visit to Campeche and Merida we arrive to explore the world famous Mayan archaeological complex at Chichen Itza.

Finally we arrive at the stunning beaches at Playa del Carmen where, having seen the Mayan cliff top ruins at Tulum our holiday in Mexico and the Yucatan Peninsula comes to an end.
